The Learning Center (TLC) is a Developmental Disability Agency serving local children, teenagers, and adults with developmental disabilities. We provide skill training, behavioral intervention, family education, and respite services to children and adults with Developmental Disabilities. We have the largest professional staff certified in Habilitative Intervention services in Eastern Idaho. Our specialists work in your home and community to help you meet your goals.

MORE
FUNCTIONAL
AREA FOR
SERVICES**

BENEFITING

The adult center community gardening area where we hope they will be able to grow their own food and learn how to prepare what they grow

It is important to teach our clients functional skills that will encourage them to be more independent

A percentage of the money earned will go to helping these individuals become more successfully independent
