

PARTICIPANT CHOICE OF AGENCY / TARGETED SERVICE COORDINATOR / PLAN DEVELOPER - REGION 7

I have had the opportunity to meet and interview the available Targeted Service Coordination/Plan Developer (TSC/ PD) Agencies who provide services for Adults with Developmental Disabilities. I understand that I have the right to choose the TSC/ PD provider to work with me or my participant, and that the TSC/ PD provider will oversee the implementation of the Individual Service Plan which includes the ongoing coordination of services as identified by the ISP. The TSC/ PD will also contact the participant on a regular basis, at least once a month or according to the needs of the participant. I understand also that if I do not want a TSC/ PD or if I want to change to a different TSC/ PD provider that I have the right to change agencies.

Please mark the box next to the agency you choose. My signature indicates that I had the opportunity to choose the agency and the individual Service Coordinator/Case Manager that I will work with. I understand that there may be a possibility that only one Coordinator/Case Manager may be available who has an opening.
